Sir,

Subject - Construction of 14 Model Houses to south of B T Oil Mills

---

I have the honour to state that there are at present no Municipal Model Houses in Mandy Mohalla The question of providing a set of model houses there, was under the consideration of the Council for some time past It had not been taken up so far actively on account of the non-availability of materials as well as labour But the dearth for houses that is felt in these days especially near business localities has necessitated taking up of the construction of these houses

The Works Committee therefore recommended the note of the Municipal Engineer for the construction of 14 model Houses in Mandy Mohalla to the south of B T Mill Road (where there are at present no model houses) at an estimated cost of Rs 40,000/- as per plan enclosed for perusal

The Council have duly sanctioned the above proposal of the Works Committee at their meeting held on 5-2-1947

In enclosing the copy of the resolution of the Council in this behalf I request you kindly to obtain sanction of Government to the above resolution of the Council, sanctioning the estimate for Rs 40,000 for the construction of 14 model houses

The cost will be met out of Model House Building Fund which has at its credit a sum of Rs 65,358/- The Municipal Engineer has been instructed to take further action in anticipation of sanction

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT
